

Letter of Recommendation

CIN : FIT/MAR26/FS12920

08/04/2026

To Whom It May Concern,

We are writing this letter to recommend **MD KHAJA ESHAQ**, a student of **Vignan's Institute of Information Technology**, who successfully completed his internship as a **Full Stack Web Development Intern** at Future Interns.

During the internship period, **MD KHAJA ESHAQ** was engaged in structured, task-based assignments aligned with the program requirements. He demonstrated a consistent level of professionalism, responsibility, and commitment while working on assigned deliverables. His approach to tasks reflected clarity in understanding requirements and the ability to apply learned concepts in practical scenarios.

Throughout the internship, he showed steady improvement in technical understanding and problem-solving skills. He approached his work with a willingness to learn, accepted feedback constructively, and maintained discipline in meeting deadlines. His attention to detail and methodical approach contributed positively to the completion of assigned tasks.

Based on his performance and verified completion of the internship, we believe that he is well-prepared to pursue further academic or professional opportunities in related fields. We recommend him for roles or programs that value structured learning, consistency, and professional conduct.

Sincerely,

Sujan Kumar C
Co-Founder & Program Coordinator
